Sharing Hopes, Values, and Dreams

FAITH & BLUE

Faith & Blue is an initiative that aims to recalibrate police/community relations through solutions-focused, in-person or virtual activities that are organized jointly by faith based or other community groups and law enforcement agencies. It was launched to facilitate safer, stronger, more unified communities by directly enabling local partnerships among law enforcement professionals, residents, businesses and community groups through the connections of local faith based organizations. The National Faith & Blue Weekend organizers represent every major national law enforcement membership and professional organization in the United States and every faith tradition.

Photos from 2020 Faith & Blue events

Since law enforcement and faith institutions are key pillars of every community, when they work together, neighborhoods thrive. This stems from the idea that communities are stronger and safer when residents and law enforcement professionals can relate as ordinary people with shared values, hopes, and dreams. Since Faith & Blue Weekend is made up of people dedicated to mutual understanding and collaboration, Arlington PD is participating not only for that reason, but also because we believe we can find ways to work together around our many commonalities instead of being divided by our differences.

The Crime Prevention Unit has already arranged more than 50 events during the October 8th through 11th extended weekend period of Faith & Blue.

Leadership

The following sworn officers were promoted within the ranks of the Arlington Police Department on October 1, 2021.

Chief of Police Al Jones said, "Promoting good leaders within the department is one my most solemn responsibilities. My faith in these officers' abilities is rooted in the fact that I know they are experienced, well-trained trained professionals who will build on the trust and transparency the department already has with the Arlington community. I know they will lead with integrity, compassion, and fairness."

Congratulations to these officers on their promotions. We thank them for taking on a greater leadership role within the department, and wish them the best of luck in their new positions.
