

UPDATES TO UNIFIED DEVELOPMENT CODE OF THE CODE OF THE CITY OF ARLINGTON, TEXAS

PUBLIC HEARING DATES: 04/7/2021 (Planning & Zoning Commission)
04/27/2021 (City Council)

Consider a text amendment to the “Unified Development Code” Chapter of the Code of the City of Arlington. The proposed amendments may include revisions to Article 2, Zoning Districts; Article 3, Use Standards; Article 4, Dimensional Standards; Article 5, Design and Development Standards; Article 6, Subdivision Regulations; Article 7, Sign Standards; Article 9, Review Authorities; Article 10, Review Procedures; and Article 12, Definitions. The proposed amendments may include, but are not limited to, setback requirements, supplemental standards, notification requirements, and definitions. The purpose of this amendment is to make minor updates to the Unified Development Code to eliminate unclear language, correct errors, and update content based on interpretations and practices of the department.

A detailed copy of the proposed amendments is available for review at www.arlington-tx.gov/pds/udc and in the Planning and Development Services Department.
