YOUTH MENTORING SUMMIT CONNECTS WITH 100 ARLINGTON YOUTH

On Tuesday, May 16th, in conjunction with the Arlington Independent School District, the Arlington Police Department hosted the Youth Mentoring Summit. This event paired APD employees and other adult role models with students for an afternoon of team building, problem solving, conversation and games. One of the best ways we can help ensure the continued safety and vitality of our community is by investing in our youth. Events like this pay dividends well into the future. Thanks to all the APD employees and outside groups who made this possible including, City of Arlington, AISD, Arlington Municipal Courts, Arlington Public Library, Code Enforcement, Idea Fountain, and Chick-fil-A on North Collins Street, who provided lunch.

APD DWI OFFICERS RECOGNIZED BY MOTHERS AGAINST DRUNK DRIVING (MADD)

APD DWI Unit Enforcement Officers Darrell Gordon and Stacie Brown were recognized at the recent Mothers Against Drunk Driving luncheon held in Euless. DWI Unit Sergeant Brian Martin was on hand to congratulate the award winners.

Officer Gordon received the Enforcement Hero Award, recognizing his strong commitment to reduce impaired driving through proactive enforcement. Officer Brown received the Outstanding Service Award for all she does, both on the streets and in the schools, to bring awareness to the dangers of impaired driving. Our DWI Unit team consistently leads the state in arrests and cases filed against those who dangerously drive our city's streets while impaired. Congratulations Officers Gordon and Brown!

APD HELPS COMMUNITY MEMBERS RESTORE ARLINGTON HERITAGE MEMORIAL GROUNDS

Just east of Matlock Road, along W. Arkansas Lane, sits one of the oldest cemeteries in Arlington. Thanks to the tireless efforts of some dedicated community members—with assistance from APD's East Patrol District—this cemetery was restored. On Friday, May 12th, the Arlington Heritage Memorial Grounds restoration project was unveiled. Everyone involved not only got the grounds cleaned up, but transformed it into a beautiful historic site that will help tell the story of Arlington and the people who are buried there.

APD was honored to join these community members and city leaders for the dedication of the Arlington Heritage Memorial Grounds. We're proud of the officers who played a role in restoring dignity to the site and making it what it is today!
